with Chabad Jewish Center of Shoreline

Dear Friend,

This is not any old Rosh Hashanah we are approaching.

This year 5783 is called a “Hakhel” year.

In Temple times, a unique gathering would take place every seven years called *Hakhel—“Assemble!” The entire Jewish nation—men, women and children, infants and the elderly—would go up to the Temple in Jerusalem.

The royally bedecked king of Israel would ascend a platform and read sections of the Torah. The nation was inspired and invigorated. A display of unity and a statement of purpose refocused this diverse people.

Though our Temple does not stand, our nation lives proudly on. The king may not be seen or heard, but the people—you and I—can recreate the unity and rejoice in our Jewishness.

In the tradition of Hakhel, we hope you will consider joining us for the High Holidays. At Chabad everyone is welcome, no matter their religious, educational or economic background. Our motto is: The doors of heaven are open - and so are ours!

We wish you and your loved ones a blessed New Year in every respect. May you be inscribed for a year of life and may we all be blessed with a year of peace in the Holy Land and the world over.

Sincerely,

Rabbi Sadya Davidoff

Co-Director, Chabad Jewish Center of Shoreline
